New Restaurant Opens at Lake Junaluska

Crepe & Custard opened mid-May at Lake Junaluska's Kern Center, located near the swimming pool at 11 Memory Lane. The restaurant offers delicious sweet and savory crepes and frozen custard, and is open daily from 7 a.m. to 3 p.m.

Crepe & Custard has an inviting atmosphere, with a pet-friendly outdoor patio overlooking Lake Junaluska. The indoor decorations are lake-themed, with canoe paddles and landscape photographs of Lake Junaluska hanging on the walls. The quaint restaurant is the perfect place for a delicious breakfast or brunch with mesmerizing views of the lake.

Drake Fultz, owner of Crepe & Custard, said he loves the peace and beauty at Lake Junaluska and wanted to open a restaurant in the area.

"My inspiration for Crepe & Custard was to offer a unique food offering to the area. There are no other local crepe restaurants around," he said. "I'm proud of my team for their hard work; this restaurant opening has been very successful."

The menu has a variety of options, including breakfast crepes that have bacon or sausage, egg, and cheese. There is also the option to build your own crepe with your choice of protein, including Morning Star options, cheese, sauce and three toppings. "I recommend the Savory Beef and Cheddar option," said Fultz.

Almost all of the crepes can be made gluten-free. Staff was well-trained to ensure the least risk of cross-contamination to keep customers as safe as possible when they visit. While the restaurant is not certified gluten free, the steps they take are making the gluten-free batter first before bringing out the regular batter, scrubbing down and cleaning the crepe stones before making gluten-free crepes and changing gloves before touching a gluten-free order.

The Fultz family is grateful for everyone welcoming them with warmth and excitement as they grow their business in Haywood County.
